

MCRC Hosted Groundhog Matches

Mill Creek Rifle Club will host two varmint style "groundhog" matches in 2017, match 1 will be May 13th and match 2 will be August 12th. The groundhog match will consist of six (6) targets shot at two distances (100 and 200 yds.). The target is an outline of a groundhog. Inside the outline are concentric scoring rings with the smallest center ring being the X ring. Each shooter will shoot three (3) targets at 100 yds. and three (3) targets at 200 yds. Each target consists of unlimited sighting shots and five (5) record shots. This requires thirty (30) total shots for score and the shooter can expect to fire a total of roughly fifty (50) rounds depending on number of sighting shots required.

Registration will start at 8:00 AM at the bench rest range. The competition will start at 9:00 AM. The entrance fee is \$15 (payout will go to top shooters in each class).

Shooters will be divided into the following three classes:

Factory class:

- Any production factory rifle in its original stock with original unmodified factory barrel and action.
- Any caliber within range rules is legal.
- Any power scope or iron sights are legal.
- No flat bottom benchrest stocks are allowed.
- No Aftermarket trigger, trigger work to original factory trigger authorized.
- Bipod or Benchrest style front pedestal rest with sand bag and rear bag authorized, no one piece front/rear rest
- Guns that do not qualify in this class are 40X, Cooper, Kimber and other limited production, semi-custom guns.

-

Service Rifle class:

- Any military style rifle, bolt action or semi-automatic. (E.G. AR-15, M1 Garand, M-1).
- Any caliber within range rules is legal.
- Any power scope or iron sights are legal.
- Bipod or Benchrest style front pedestal rest with sand bag and rear bag authorized, no one piece front/rear rest

Custom class (unlimited):

- This class includes any rifle, any action, any caliber (within range rules), any trigger, and any sight.
- Bipod or Benchrest style front pedestal rest with sand bag and rear bag authorized, no one piece front/rear rest
- Flat bottom benchrest stocks **ARE** allowed.
